PROFESSIONAL SUMMARY

Computer Science and Engineering graduate from Bangladesh University of Engineering and Technology (BUET) with a solid foundation in software development, data structures, algorithms, and database management. Experienced in backend development, full-stack web applications, and quantitative ML dataset optimization through undergraduate thesis research. Proven technical communicator with experience instructing university-level CS courses. Seeking a Software Engineer role to leverage strong analytical skills, software architecture principles, and hands-on programming experience to build scalable, high-performance software solutions.

TECHNICAL SKILLS

- **Programming Languages:** Python, C/C++, Java, SQL
- **Web & Backend Development:** JavaScript, Node.js / Express, RESTful APIs, HTML/CSS, Payment Gateway Integration (SSLCommerz)
- **Databases & Tools:** MySQL, Oracle DB / SQL, Git/GitHub, LaTeX, Linux/Bash
- **Core CS Competencies:** Data Structures & Algorithms, Object-Oriented Programming (OOP), Relational Database Management Systems (RDBMS), Automated Data Augmentation
- **Soft Skills:** Technical Communication, Teamwork & Code Collaboration, Problem Solving, Adaptability

RESEARCH EXPERIENCE

Undergraduate Thesis

BUET — 2024 – 2025

Supervisor: Dr. Muhammad Masroor Ali

- Researched methods to enhance dataset quality for Machine Learning models using automated data augmentation techniques.
- Designed, implemented, and benchmarked experimental pipelines using Python to quantitatively evaluate data pipelines.
- Optimized computational efficiency while improving overall model accuracy and generalization.
- Applied systematic debugging, statistical analysis, and algorithmic optimization throughout the research lifecycle.

SOFTWARE PROJECTS

E-TravelKit (Team Project)

Full-Stack Web Application

- Collaborated in a multi-developer team to design and deploy a full-stack travel booking platform.
- Engineered backend business logic, database schema, and integrated SSLCommerz payment gateway for secure transaction processing.
- Maintained version control using Git, participated in code reviews, and met critical software milestones within deadlines.

Fantasy Premier League Manager

Database-Driven Web Application

- Built a dynamic web application utilizing relational database principles, complete with user authentication and session handling.
- Designed efficient SQL queries and backend API endpoints to handle complex fantasy league data and user operations.

Football Manager Application

Desktop Application

- Developed a modular desktop application in Java/C++ incorporating Object-Oriented Programming (OOP) concepts such as inheritance, polymorphism, and encapsulation.
- Simulated complex real-world club management logic with an intuitive graphical user interface.

TEACHING & LEADERSHIP EXPERIENCE

Presidency University

Dhaka, Bangladesh

Lecturer / Course Instructor (Department of CSE)

October 2025 – April 2026

- Instructed undergraduate computer science courses, translating core theoretical computer science concepts into practical software engineering principles.
- Designed course curricula, assignments, and examination frameworks focused on programming paradigms and algorithmic reasoning.

BUET CSE Department / Student Body

Dhaka, Bangladesh

Class Representative (CR) & Event Organizer

2021 – 2025

- Served as the primary liaison between faculty members and 60+ engineering students for course logistics and scheduling.
- Organized technical workshops and departmental events, managing cross-functional teams and event coordination.
- Led group study sessions focusing on core CS problem solving and peer-to-peer knowledge sharing.

EDUCATION

Bangladesh University of Engineering and Technology (BUET)

Dhaka, Bangladesh

Bachelor of Science in Computer Science and Engineering (GPA: 3.37 / 4.00)

2020 – 2025

Notre Dame College

Dhaka, Bangladesh

Higher Secondary Certificate (HSC) – Science (GPA: 5.00 / 5.00)

2017 – 2019

Motijheel Ideal School and College

Dhaka, Bangladesh

Secondary School Certificate (SSC) – Science (GPA: 5.00 / 5.00)

2015 – 2017

HONORS & AWARDS

- Awarded Talentpool Government Scholarship in the Higher Secondary Certificate (HSC) Examination.
- Awarded General Government Scholarship in the Secondary School Certificate (SSC) Examination.

LANGUAGES

- **Bangla:** Native
- **English:** Professional Working Proficiency
